

Wellington Landfill Rate Increase

Effective January 1, 2009

Transfer Station

\$35.00 per ton, increased from \$34.00 per ton
\$12.35 minimum, increased from \$12.00

Construction & Demolition

\$18.00 per ton, increased from \$16.00 per ton
\$9.00 minimum, increased from \$8.00

The Kansas Department of Health and Environment requires that all household waste be separated from construction and demolition debris. All mixed loads will be unloaded in the transfer station and charged \$35.00 per ton.
