Re: Public Service Announcement – Dog Tags

As a reminder, the City of Wellington dog tags are now available for 2018. The cost is \$3.00 for spayed or neutered or \$6.00 for unaltered dogs. To avoid penalty, buy before March 1st. Tags may be purchased either at City Hall or the local veterinarian offices. To purchase at City Hall, you must have proof of the dog's rabies vaccination date. Should your dog be picked up for running-at-large and does not have a tag, the dog may be put down without the owner's identified. The fine for not having purchased a dog tag is around \$108.50.
