Re: SOLID WASTE SERVICES

Due to the current National health emergency relating to concerns of Coronavirus 2019 (COVID-19), the City of Wellington Recycling Center will be CLOSED effective March 25, 2020 and until further notice. The recycling operation requires frequent interaction between staff and citizens that does not preserve the 6 feet social distancing.

Refuse collection, Compost Site and Landfill services will all continue to operate normal hours until the situation changes.

We apologize for any inconvenience this may cause. Please stay safe & healthy.
