#### INDEPENDENT AUDITOR'S REPORT

Mayor and City Council City of Wellington, Kansas

#### **Adverse and Unmodified Opinions**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Wellington. Kansas and its related municipal entities, the Wellington Public Library, the Public Building Commission of the City of Wellington, Kansas, and the Wellington Health Care Authority (collectively, the City), as of and for the year ended December 31, 2021 and the related notes to the financial statement.

#### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2021, or changes in financial position and cash flows thereof for the year then ended.

#### Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

### **Basis for Adverse and Unmodified Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the Kansas Municipal Audit and Accounting Guide. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, summary of receipts and disbursements-agency funds and the schedule of regulatory basis receipts and expenditures-related municipal entity (Schedules 1, 2, 3 and 4) as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

#### Other Matters

#### Other Matter

The 2020 actual column presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement.

The City's basic financial statement for the year ended December 31, 2020 (not presented herein), was audited by other auditors whose report dated November 3, 2021, expressed an unmodified opinion on the basic financial statement. The 2020 basic financial statement and the other auditor's report are available in electronic form from the web site of the Kansas Department of Administration the following https://admin.ks.gov/offices/oar/municipal-services. The report of the other auditors dated November 3, 2021 stated that the individual fund schedules of regulatory basis receipts and expenditures-actual and budget for the year ended December 31, 2020 was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and in their opinion, was fairly stated in all material respects in relation to the basic financial

### NOTE 1 - Summary of Significant Accounting Policies

The City of Wellington, Kansas (the City) is incorporated as a city of the second class under the provisions of the Kansas Constitution, Article 12, Section 5 and K.S.A. 14-101 et seq. The City operates under a Council - Manager form of government and provides the following services as authorized by its charter:

•	Highways and Streets	•	Public Safety	•	Utilities
•	Public Improvements		Police		Electric
•	Culture & Recreation		Fire		Water
•	Planning & Zoning		Emergency Medical Services		Sewer
•	General Administrative Service				Refuse

The financial statement and schedules of the City of Wellington, Kansas have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow below. Note 1 describes how the City's accounting policies differ from accounting principles generally accepted in the United States of America.

#### **Financial Reporting Entity**

The City is a municipal corporation governed by an elected Mayor and six-member Council. This financial statement presents the City (the municipality) and its related municipal entities, the Wellington Public Library, the Public Building Commission of the City of Wellington, Kansas, and the Wellington Health Care Authority (collectively, the City). These related municipal entities are included in the City's reporting entity because they were established to benefit the City and/or its constituents. This financial statement does not include the related municipal entity, The Housing Authority of the City of Wellington, Kansas.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

<u>Wellington Housing Authority</u> - The Housing Authority of the City of Wellington, Kansas is a municipal corporation responsible for operating the City's housing projects. The Housing Authority is governed by a City appointed five-member board. The Housing Authority can sue and be sued. Bond ordinances and the purchase of real property must be approved by the City. These financial statements do not include the Housing Authority. Separate audited financial statements are prepared and are available at the Housing Authority's administrative office.

<u>Wellington Public Library</u> - The City of Wellington Library Board operates the City's public library. The Library is governed by a City appointed eight-member board. Acquisition or disposition of real property or bond issuances must be approved by the City. These financial statements include the Library.

<u>Public Building Commission</u> - The Public Building Commission of the City of Wellington, Kansas was created to oversee the construction of public facilities as directed by the City Council. The Commission is governed by a City appointed five-member board. Acquisition or disposition of real property or bond issuances must be approved by the City. The City is acting as the fiduciary agent for the Commission. These financial statements include the Commission.

<u>Wellington Health Care Authority</u> - The Wellington Health Care Authority was created for the purpose of providing integrated hospital and other health care services in the City. The Authority is governed by a City appointed five-member board. Acquisition or disposition of real property or bond issuances must be approved by the City. The City collects and appropriates a dedicated health-care sales tax to the Authority. These financial statements include the Authority.

#### NOTE 1 - Summary of Significant Accounting Policies (Continued)

#### **Basis of Accounting**

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

#### Regulatory Basis Fund Types

The following types of funds comprise the financial activities of the City for the year ended December 31, 2021:

<u>General Fund</u> - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

<u>Special Purpose Fund</u> - used to account for the proceeds of specific tax levies and other specific regulatory basis receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

<u>Bond and Interest Fund</u> - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

<u>Capital Projects Fund</u> - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

<u>Business Fund</u> - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.).

<u>Trust Fund</u> - funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

<u>Agency Funds</u> - to account for assets held by the City in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

### **Budgetary Information**

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

#### NOTE 1 - Summary of Significant Accounting Policies (Continued)

#### **Budgetary Information (Continued)**

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The City was not required to hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. The original budget was amended for the Municipal Airport Fund, Municipal Golf Course Fund, and Sanitation Utility Fund during the year ended December 31, 2021.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital improvement funds, capital project funds, trust funds and the following special purpose funds:

- Permanent Cemetery Endowment Fund
- Hazmat Response Fund
- Fire Prevention and Education Fund
- Police VIN Fund
- · Asset Forfeiture Fund
- Equipment Reserve Fund

- Sanitation Equipment Reserve Fund
- Housing Authority Reserve Fund
- SCCDAT Grant Fund
- CDBG Housing Grant Fund
- ARPA Grant Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the city commission.

#### NOTE 2 - Deposits and Investments

As of December 31, 2021, the City had the following investments and maturities.

	Investment Maturities (in Years)				
Investment Type	Fair Value	Less than 1	More than 1	Rating U.S.	
Kansas Municipal Investment Pool	\$ 13,892,622	\$ 13,892,622	<u> -</u>	N/A	
Total Fair Value	\$ 13,892,622	\$ 13,892,622	\$ -		

Deposits. K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

#### NOTE 2 - Deposits and Investments (Continued)

*Investments.* K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices. As of December 31, 2021, the City held no such investments.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2021, was as follows:

Investment

Percentage of Investments

Kansas Municipal Investment Pool

100%

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City has no designated "peak periods." All deposits were fully secured as of December 31, 2021.

As of December 31, 2021, the City's carrying amount of deposits was \$8,186,912 and the bank balance was \$8,323,823. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, \$502,286 was covered by federal depository insurance and \$7,821,537 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

As of December 31, 2021, the Library's carrying amount of deposits was \$258,998 and the bank balance was \$275,283. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,000 was covered by federal depository insurance and \$25,283 was collateralized with securities held by the pledging financial institution's agents in the City's name.

As of December 31, 2021, the Health Care Authority's carrying amount of deposits was \$331,511 and the bank balance was \$348,322. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,000 was covered by federal depository insurance and \$98,332 was collateralized with securities held by the pledging financial institution's agents in the City's name.

Custodial credit risk - investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

As of December 31, 2021, the Municipality had invested \$13,892,622 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

#### NOTE 3 - Defined Benefit Pension Plan

Plan Description. The City and Library participate in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at <a href="https://www.kpers.org">www.kpers.org</a> by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

#### NOTE 3 - Defined Benefit Pension Plan (Continued)

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for KPERS and 22.80% for KP&F for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City were \$380,512 for KPERS and \$451,637 for KP&F for the year ended December 31, 2021. Contributions to the pension plan from the Library were \$12,318.

Net Pension Liability. As of December 31, 2021, the City's proportionate share of the collective net pension liability reported by KPERS was \$2,593,405 and \$3,354,723 for KP&F. The Library's proportionate share of the collective net pension liability reported by KPERS was \$78,777. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report, including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the KPERS website at <a href="https://www.kpers.org">www.kpers.org</a> or can be obtained as described above.

#### NOTE 4 - Other Long-Term Obligations from Operations

Other Post-Employment Benefits. As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

Death and Disability Other Post-Employment Benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

#### NOTE 5 - Compensated Absences

Each full-time employee of the service of the City shall accrue paid time off with each pay date. The number of hours accrued per pay period is based on the employee's years of service and shift length as detailed by the following table:

	Regular (80/Hr	Pay Period) Law Enforcement (86/Hr Pay Period) Fire & EMS (1			Fire & EMS (106/	106/Hr Pay Period)	
Years of	Per Pay	Maximum	Per Pay	Maximum	Per Pay	Maximum	
Service	Period Accrual	Accrual	Period Accrual	Accrual	Period Accrual	Accrual	
1 - 10	4	144	4.5	155	7.385	264	
11 - 12	4.75	164	5.25	176	8.135	284	
13 - 15	5.25	177	5.75	190	8.635	297	
16 +	5.5	192	6	207	8.885	312	

Employees separating from the City with more than 6 months of service are entitled to payment for all accrued but unused vacation earned prior to separation up to the maximum accrual. An employee's maximum accrual is based on the employee's years of service and shift length as detailed by the above table.

All employees accumulate sick leave based on shift length as detailed by the below table. This sick leave accumulates first in a short- term sick leave account up to a maximum accrual based on shift length as detailed by the below table, then into a reserve sick leave account, with a maximum accrual based on shift length as detailed by the below table. The short- term account can be replenished during the year from the reserve sick leave account when the balance falls below the applicable short- term maximum. If an employee has used less than the applicable short- term maximum hours during a calendar year, they have the option of receiving one half of the balance of those remaining hours in cash with their last paycheck of the year.

	Per Pay Period Accrual	Short-Term Maximum	Reserve Maximum	Maximum Payout
Regular (80/Hr Pay Period)	4	64	960	104
Law Enforcement (86/Hr Pay Period)	4.5	69	1,032	112
Fire & EMS (106/Hr Pay Period)	7.385	120	1,771	180

Upon termination of employment for medical reasons, retirement, or death, an employee or the employee's beneficiary receives payment at their regular hourly rate of pay for the balance in the short- term and reserve sick leave accounts, up to a maximum number of hours based on shift length as detailed by the above table.

The City has not estimated a liability for paid time off or sick leave which has been earned, but not taken by City employees, as the amount cannot be reasonably estimated.

#### NOTE 6 - Contingencies

The City receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursement of funds received under these programs generally requires compliance with the terms and conditions specified in the grant agreements and is subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims would not have a material effect on any of the financial statements of the City as of December 31, 2021.

#### NOTE 7 - Interfund Transfers

Operating transfers were as follows during the year ended December 31, 2021:

			Regulatory
From	То	Amount	Authority
General Fund	Equipment Reserve Fund	\$ 200,000	K.S.A. 12-1, 117
General Fund	Capital Improvements Fund	305,000	K.S.A. 12-1, 118
General Fund	Municipal Airport Fund	49,655	Bond Covenant
General Fund	Municipal Golf Course Fund	229,708	Council Motion
Permanent Cemetary Endowment Fund	General Fund	373	K.S.A. 12-1410
Cemetery Capital Improvement Fund	General Fund	2,497	K.S.A. 12-1, 118
Judicial & Law Enforcement Improvement Fund	General Fund	4,077	K.S.A. 12-1, 118
Municipal Airport Fund	Bond and Interest Fund	49,655	K.S.A. 12-825d
Electric, Waterworks, and Sewage Utility Fund	General Fund	1,901,009	K.S.A. 12-825d
Electric, Waterworks, and Sewage Utility Fund	Electric, Waterworks, and Sewage		
	Capital Improvement Fund	953,436	K.S.A. 12-825d
Sanitation Utility Fund	General Fund	165,480	K.S.A. 12-825d
Sanitation Utility Fund	Sanitation Equipment Reserve Fund	30,000	K.S.A. 12-825d
Sanitation Utility Fund	Bond and Interest Fund	84,778	K.S.A. 12-825d
		\$ 3,975,668	

#### NOTE 8 - Interfund Charges

The City uses interfund charger to share the cost of certain activities and projects across funds. Interfund charges are reported as interfund revenue in the reimbursed fund and as expenses in the reimbursing fund according to the underlying expense's natural function and department.

The General Fund is used to account for various administrative functions, which are partially allocated to other funds. Utility billing and collection, financial and management services were paid through the General Fund and reimbursed by other funds as detailed by the following table during the year ended December 31, 2021:

Reimbursing Fund		Amount
Special Highway Fund	\$	135,000
Electric, Waterworks, and Sewage Utility Fund		879,232
Sanitation Utility Fund		86,691
	\$	1,100,923

The Employee Benefit Fund is used to account for various employee benefit expenses which are partially allocated to other funds. Health care benefits were paid through the Employee Benefit Fund and reimbursed by other funds as detailed by the following table during the year ended December 31, 2021:

Reimbursing Fund		Amount		
General Fund	\$	632,869		
Municipal Golf Course Fund		29,772		
Electric, Waterworks, and Sewage Utility Fund		303,109		
Sanitation Utility Fund		84,481		
Municipal Airport Fund		9,924		
	\$	1,060,154		

#### NOTE 8 - Interfund Charges (Continued)

The Special Liability Fund is used to account for various insurance expenses which are partially allocated to other funds. Insurance premiums were paid through the Special Liability Fund and reimbursed by other funds as detailed by the following table during the year ended December 31, 2021:

Reimbursing Fund		Amount
General Fund	\$	246,252
Municipal Golf Course Fund		8,011
Electric, Waterworks, and Sewage Utility Fund		310,935
Sanitation Utility Fund		22,595
Municipal Airport Fund		8,954
	\$	596,747

The City meters but does not bill other City funds for utility services.

### NOTE 9 - Long-Term Debt

The following table summarizes changes in the City's long-term debt for the year ended December 31, 2021:

	Beginning	•		Ending		
	Principal	Principal to		Principal

					\$ 19.385,263

### NOTE 9 - Long-Term Debt (Continued)

Annual debt service requirements to maturity for the City's outstanding general obligation debt is as follows:

Year			
Ending			
December 31,	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2022	\$ 2,609,595	\$ 388,750	\$ 2,998,345
2023	2,300,379	328,248	2,628,627
2024	2,226,194	286,448	2,512,642
2025	2,187,042	241,760	2,428,802
2026	2,217,924	197,943	2,415,867
2027 - 2031	5,979,129	501,392	6,480,521
2032 - 2036	1,130,000	211,598	1,341,598
2037 - 2041	735,000	 47,541	782,541
	\$ 19,385,263	\$ 2,203,680	\$21,588,943

On March 1, 2021, the City issued General Obligation Bonds, Series 2021 in the amount of \$500,000. Proceeds from the sale of the Bonds were used for the improvement of an existing City building. The bonds carry a 0.00% interest rate and are scheduled for final maturity on March 1, 2026.

On June 8, 2021, the City issued General Obligation Refunding Bonds, Series 2021-B in the amount of \$1,270,000. Proceeds from the sale of the Bonds were used to fully refund the City's previously outstanding General Obligation Bonds, Series 2013. The new bonds carry interest rates between 1.00% and 2.00% and are scheduled for final maturity on September 1, 2038.

On July 27, 2021, the City issued General Obligation Bonds, Series 2021-C in the amount of \$7,665,000. Proceeds from the sale of the Bonds were used to fully refund the City's previously outstanding KDHE revolving fund loans. The new bonds carry interest rates between 1.00% and 1.10% and are scheduled for final maturity on September 1, 2030.

On July 27, 2021, the City issued General Obligation Bonds, Series 2021-D in the amount of \$630,000. Proceeds from the sale of the Bonds were used to for sanitation system improvements. The new bonds carry interest rates between 0.30% and 2.10% and are scheduled for final maturity on November 1, 2041.

Revenue Bonds. The following table details the City's outstanding revenue bond debt as of December 31, 2021:

	Date of	Final		Original	Amount
<u>lssue</u>	<u>lssue</u>	<u>Maturity</u>	Interest Rate	<u>Amount</u>	<u>Outstanding</u>
Elec, Wtrwks & Sew Util Sys Revenue Bonds,					
Series 2016	4/7/2016	11/1/2036	2.00 - 3.50%	\$ 4,755,000	\$ 3,955,000

Annual debt service requirements to maturity for the City's outstanding revenue bond debt is as follows:

## NOTE 9 - Long-Term Debt (Continued)

Year				
Ending				
December 31,	<u>Principal</u>	<u>Interest</u>		<u>Total</u>
2022	\$ 200,000	\$ 120,280	\$	320,280

2027 - 2031	280,000	67,375	347,375
2032 - 2033	 130,000	 8,775	 138,775
	\$ 645,000	\$ 194,125	\$ 839,125

#### NOTE 10 - Landfill Closure Costs and Post-Closure Costs

In 2006, the City entered into an agreement with Sumner County to purchase the municipal landfill formerly operated by Sumner County. The municipal solid waste landfill was closed and capped in 1994. State and federal laws and regulations require certain maintenance and monitoring functions continue for 30 years after closure. Estimates of future costs are not maintained for this closed landfill. The City continues to operate the transfer station and construction and demolition disposal site at this location.

#### NOTE 11 - Health Care Authority

The Wellington Health Care Authority (HCA) is a separate legal entity of the City. The City owns a hospital building which it previously leased to the HCA. The HCA operated a hospital at this location under the name of Sumner Regional Medical Center. The HCA sold its hospital business to a private entity in October 2018. The private entity leased a portion of the hospital building from the City until it ceased operations in March 2020. The City has since leased a portion of the hospital building to a different private entity who operates the emergency department.

In 2015, the citizens of Wellington authorized a 1% dedicated sales tax which is collected by the City and remitted to the HCA. The HCA continues to use the 1% dedicated sales tax for payments on HCA debts and improvements and the maintenance of the hospital building. The amount of sales tax collected by the City and remitted to the HCA during the year ended December 31, 2021 was \$1,478,735.

City Forbearance Agreement. The HCA received financial assistance from the City in the form of utility services, bond payments, loans, and a loan guarantee prior to selling its hospital business in 2018. This financial support was codified in a forbearance agreement dated September 1, 2015 between the City and HCA. The total sum covered by the agreement was \$1,519,343. The agreement called for the HCA to repay this amount at 3.00% interest before December 31, 2017. The HCA made no payments against the agreement until August 2021 when the HCA began repaying \$40,000 per month against the agreement. The balance of the forbearance agreement as of December 31, 2021 was \$1,319,343 plus accrued and unpaid interest.

KPERS Unfunded Actuarial Liability. Prior to selling its hospital business in 2018 the HCA participated in KPERS. Upon withdrawing from KPERS the HCA's unfunded actuarial liability became due and payable. The HCA has made no payments against this liability. The balance of the liability as of December 31, 2021 was \$2,918,099. The HCA is negotiating with KPERS to have this liability discharged.

KPERS Reporting Liability. Prior to selling its hospital business in 2018 the HCA incurred both employer and employee reporting liabilities to KPERS. The original balance of this liability was approximately \$1,400,000. The HCA reached an agreement with KPERS to make monthly payments against the balance. The balance of the liability as of December 31, 2021, was \$871,107.

#### NOTE 11 - Health Care Authority (Continued)

Accounts Payable. Prior to selling its hospital business in 2018 the HCA incurred accounts payable due to vendors. The HCA did not remit payment to these vendors due to an insufficiency of cash. Should a vendor pursue repayment, the HCA would consider repayment based on current financial resources. Management estimates the balance of potential accounts payable as of December 31, 2021 was \$619,288. These balances are not reported as an accounts payable as the vendors are not pursuing repayment.

*Vendor Settlement.* On March 28, 2019 the HCA entered into a settlement with a vendor to settle an outstanding balance. At the time of settlement, the balance was \$2,418,134. The settlement calls for the HCA to make monthly payments of \$20,000 to the vendor and for the vendor to discharge any outstanding balance upon the expiration of the dedicated sales tax in 2025.

*Pledge to City.* During 2020 the HCA pledged to appropriate \$20,000 per month to the City for improvements and the maintenance of the Hospital Building. These appropriations will continue until the dedicated sales tax expires in 2025. The HCA also made a onetime \$100,000 appropriation to the City during 2021. The total appropriated to the City by the HCA during the year ended December 31, 2021 was \$360,000.

#### NOTE 12 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in Kansas Municipal Insurance Trust (KMIT), a public entity risk pool currently operating as a common risk management and insurance program for participating members. The City pays annual premium to KMIT for its workers' compensation insurance coverage. The agreement to participate provides that KMIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KMIT management

During the ordinary course of its operations, the City is a parry to various claims, legal actions and complaints. In the opinion of management and legal counsel, no such claims, legal actions or complaints would not have a material effect on any of the financial statements of the City as of December 31, 2021.

#### NOTE 13 - Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statement to maintain consistency between periods presented. The reclassifications had no impact on previously reported unencumbered cash balances.

#### NOTE 14 - Subsequent Events

Revolving Loan. On February 1, 2022, the City Council authorized the execution of a loan agreement between the City and the Kansas Department of Health and Environment (KDHE). Proceeds from the loan will be used to finance the cost of the water system improvements. The loan is for a maximum principal of \$634,706 and carries a gross interest rate of 1.31%.
