City Clerk/Utilities

Citizens can receive their utility bills same day by requesting the statement be sent via email rather than through the mail. We also offer automatic or ACH monthly payments. This option is free, whereas our online vendor PSN charges customers to pay online. You also don't have the worry about your payment arriving on time. We will simply email you a form to fill out, then you drop it back off along with your bank information or voided check.

Should you want to take advantage of either service, please email us at utilityoffice@cityofwellington.net or call 620-326-2821.

PUBLIC WORKS

The 300 Block of East Mill is closed due to disrepair of the Blackwell Northern Railway track.

The closure is between "A" & "B" and only encompasses the area of the tracks, no access to private property is affected. The City is diligently attempting to make contact with Blackwell Northern to determine their plans for repair. Further information will be provided as it becomes available.

For additional information, please contact the Street Department at (620) 326 7831.
